Signalling for Technicians

Module 1

Circuit Reading

This page is intentionally left blank

Contents

1	**About this Open Learning Module**	**1**
2	**Circuit and Wiring Diagrams**	**5**
	Introduction	5
	Common Circuit Symbols	8
	Nomenclature	11
	Circuit Elements	19
	Termination Details	21
	Circuit Construction	22
	Section Summary	26
3	**Red and Green Colour Work**	**27**
	Introduction	27
	Red and Green Markings on Circuit and Wiring Diagrams	28
	Section Summary	31

4	**Basic Circuit Contents**	**33**
	Introduction	33
	Circuit Diagram Title Block and Index Sheets	33
	Identifying Circuit Contents	33
	Incoming and Outgoing Paths	40
	Interlinking Cables	41
	Section Summary	44
5	**Signalling Features**	**45**
	Introduction	45
	Signalling Plan Symbols	45
	Section Summary	50
6	**Module Summary**	**53**
7	**Self Test Questions**	**55**
8	**Answers**	**59**
9	**Glossary of Terms**	**69**
